This document outlines in general terms the coverages that may be afforded under policies issued. All policies must be examined carefully to determine suitability for your needs and to identify any exclusions, limitations or any other terms and conditions that may specifically affect coverage. In the event of a conflict, the terms and conditions of the policy prevail. All coverages described in this document may be offered by one or more of the property and casualty insurance companies available to Aero. Coverage may not be available

in all states or to all businesses. Possession of the materials by a licensed insurance producer or other person(s) does not indicate that such producer or other person(s) is an authorized agent of Aero. All information and representations herein are as of June 2021.
